THE NATURAL WAY

The Natural Way is a healthy, holistic, baked biscuit dog treat. Perfect as a healthy snack or training treat. All ingredients are of natural value and maintain a healthy immune system.

The Sensitive Digestion variety: Originally made to promote good health and vitality, they are low in fat and sugar and contain no additives, colours and preservatives making them a suitable treat for dogs with sensitive digestion. Contains garlic, parsley and sesame.

The Skin & Coat Variety: Low in sugar and contains no additives, colouring or preservatives. All the ingredients are natural and provide a range of vitamins, minerals and herbs to promote a healthy skin and coat. Containing fresh carrot, flax seed, parsley and garlic. Nature's simple, safe and effective way to assist your dog's health

The Teeth & Gums variety: The ingredients in this biscuit provide natural nutrients necessary to keep a dog's gums, mouth and teeth healthy. The long traditional bake we use produces a hard biscuit which will exercise both teeth and gums. With no added sugar or salt and containing no additives, colourings or preservatives. Containing parsley seed, garlic, eucalyptus and kelp.

Puppy Variety: The ingredients in this biscuit provide a range of natural nutrients to assist with growth and development. The long traditional bake we use produces a hard biscuit and enhances the aromas and natural flavours. Containing fresh carrot, yoghurt, eggshell, sunflower kernel, flax seed and parsley.
